

**Exercise sheet | Help Robot Robi learn when to experience emotions and how to express them.**

1. Robi stands eye to eye with a lion

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

2. Robi stands eye to eye with a big but harmless spider

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

3. Robi is smelling a piece of blue cheese

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

4. Robi is smelling a piece of rotting fish

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

5. Robi is taking his gardening exam

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

6. Robi passed his gardening exam

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

7. Robi is doing the Robot dance with his friends

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

8. Robi failed his cooking exams

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

9. Robi is driving while a deer suddenly jumps in front of the car

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

10. Robi's friend is being bullied by a kid in the street

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

11. Robi's favourite football team is losing

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

12. Robi has to give a speech in front of the whole robot school

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

13. Robi is playing with a toy and Maya suddenly snatches it out his hand

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

14. Robi is not invited by his friends Elisa and Martin to watch WALL-E with them

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |

15. Robi is trying to clean the house but Nico is constantly standing in the way

| Which emotion/no emotion | What to feel | What to show | What to say | What to do |
|--------------------------|--------------|--------------|-------------|------------|
|                          |              |              |             |            |
