

Hey Paulo! What is the next class?

I don't know. Do you know Pedro?

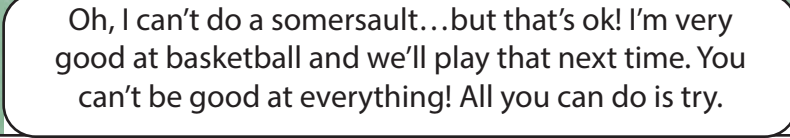

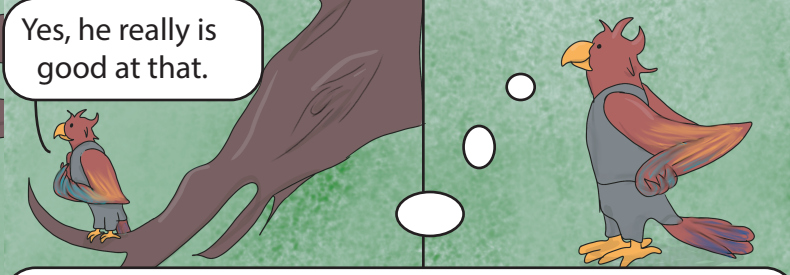

I think it's PE!

Children, everyone: Let's get ready for gymnastics!

Wow! That's amazing!

Man, I'm such a loser. I'm too chicken to do a somersault. Everyone else can do it. They're going to think I'm weak.

Yes, he really is good at that.

Oh, I can't do a somersault...but that's ok! I'm very good at basketball and we'll play that next time. You can't be good at everything! All you can do is try.
